BUSINESS SOLUTION TECHNOLOGIES WELCOMES MICHELE ALBLINGER AS HR INFORMATION SYSTEMS CONSULTANT

HONOLULU – Business Solution Technologies (BST), a Hawaii-based information technology (IT) consulting firm, announced today that **Michele Alblinger** has rejoined the company as a human resources information systems consultant.

Alblinger will provide her expertise in enterprise-level human resources and payroll system solutions to BST's clients.

"We are so pleased to have Michele back in Hawaii to support our clients with their HR projects," said John Weldon, president of BST. "Michele's extensive consulting background, and her understanding of Hawaii's business and island culture enable her to hit the ground running to implement quality solutions for us."

Alblinger previously worked with BST from 2001-2007 providing human resources and payroll systems implementation and upgrade consulting services for the company's largest corporate and government clients. Prior to returning to Hawaii and BST, Alblinger was based in Seattle, Wash. providing HR systems implementation consulting services for corporations in the HealthCare, Education, Transportation, and Manufacturing industries as the founder and managing partner of MBA Systems Consulting. She also previously held positions at Zannet Consulting and Hawaiian Airlines, and served as president of the American Payroll Association – Hawaii Chapter.
