BUSINESS SOLUTION TECHNOLOGIES WELCOMES DOLLIE JACINTO IN THE ROLE OF CLIENT SOLUTIONS DELIVERY

HONOLULU – Business Solution Technologies (BST), a Hawaii-based information technology (IT) consulting firm, announced today that **Dollie Jacinto** has joined the company, and will be providing project management and solution delivery services for its human resources, education and healthcare clients.

“We are excited to have Dollie join BST with her extensive background in Enterprise Resource Planning (ERP) and related business process design in the HR, benefits, time and attendance, payroll, finance, accounting and supply chain management sectors for the state of Hawaii and various international corporations,” said John Weldon, president of BST.

“Dollie’s expertise will allow us to provide our clients with quality, large scale, enterprise-wide technology solutions.”

Prior to joining BST, Jacinto was a Gartner Senior IT Management Consultant, and recently assisted the state of Hawaii with its statewide business transformation initiative. She was an IT Management Consultant and the Systems Implementation Manager for PricewaterhouseCoopers in Los Angeles, Calif., and also served as a Senior Project Manager for the Bank of Hawaii Project Management Office.
